ACM LLP was recently named as one of the 2019 *Accounting Today's Best Accounting Firms to Work for*. *Accounting Today* has partnered with Best Companies Group to identify companies that have excelled in creating quality workplaces for employees.

The survey and awards program are designed to identify, recognize and honor the best employers in the accounting profession, benefiting its economy, workforce and businesses. The list is made up of 100 firms.

Firms from across the United States entered the two-part survey process to determine *Accounting Today's Best Accounting Firms to Work for*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top firms and the final ranking. Best Companies Group managed the overall registration and survey process, analyzed the data and determined the final ranking.
